About the property

A cheap akiya house for somebody who is looking to take on a project with potential. The property will need to be remodeled and decorated. We can assist you in working with local construction companies. The house is situated near all the resorts in the Myoko city area. The advantages of this area is that there is less snow than Myoko so you can get out easier each day and you still only 15-20min to the resorts.

Location

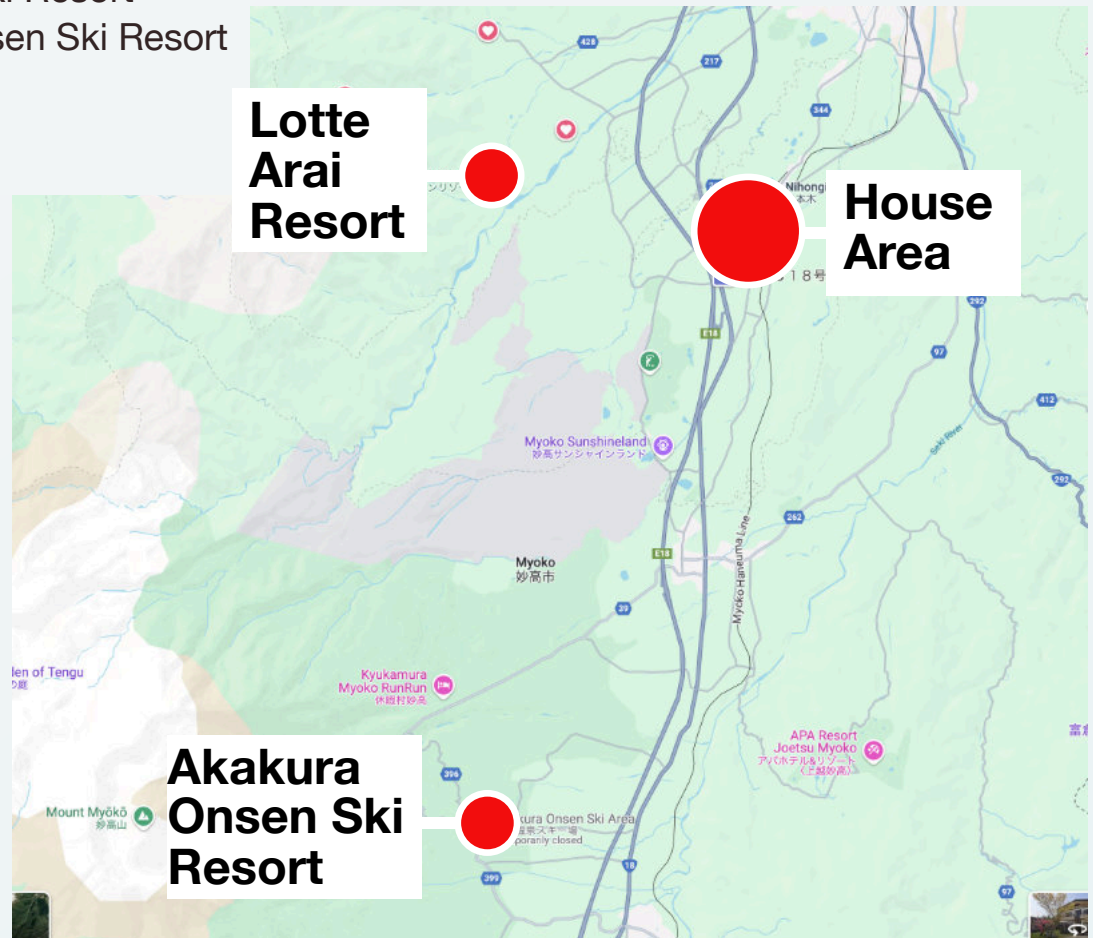

Situated in a quiet remote residential area. Near R18 for great access to area. Closer to supermarkets, restaurants and the shops etc in Joetsu.

15 min to Lotte Arai Ski Resort

20 min to Akakura Onsen Ski Resort

10 min to Arai
